

EASYLINE Edge Paint

- Lasts at least 2 times longer than the best competitor*
- Saves time and money-extended life span and reduced need for re-painting
- Dries in 10 minutes, easy to apply, no mess, no wastage
- Highest paint content per can on the market-20% more than the rest
- Lowest Volatile Organic Compounds (VOC's) system on the market today
- Minimised environmental impact-non harmful to the environment and aquatic life
- Health and Safety focused-non toxic, non harmful and irritant free formula
- Aerosols are up to 50% stronger, each can is rated at 18 Bar minimum
- Utilises a unique propellant system to give consistent superior quality lines throughout the life of the can
- Complies with your legal obligations under European Directive 92/58/EEC
- Ideal for stencilling/free hand marking

*Tested using the internationally recognised test ASTM D4060 using a Taber Abraser
