Description

FOAM CLEANER Spray is a universal, fast acting NSF A1 registered food processing cleaner spray. It efficiently cuts through grease, dirt and grime, offering superior cleaning performance for food and other clean industries.

The product produces a fast acting white foam to efficiently clean work surfaces. The foam will cling to vertical surfaces, preventing contamination by run-off or dripping.

For use in food preparation and food packing areas. Cleaned surfaces must be rinsed with potable water before food products are returned to the area.

*Powerful, fast acting, aqueous, food processing foam cleaner.
