### Description

FOODLUBE MultiPaste is a white non-toxic, anti-seize lubricating paste that is designed for use in food, pharmaceutical and other clean environments. Ideal for the assembly and lubrication of:

- Threads
- Bushes
- Slides
- Small open gears
- Fasteners

FOODLUBE MultiPaste is also suitable for use as a food grade drilling, tapping and cutting lubricant, particularly when maintenance has to be carried out in the process area.

\*Food grade, multi-purpose anti-seize & lubricating paste
