Description

FOODLUBE Multi-Paste Spray is a white, non-toxic lubricating spray that applies an anti-seize paste, ideal for use in food, pharmaceutical and other clean environments. Applications include the assembly and lubrication of:

- Threads
- Bushes
- Slides
- Small open gears
- Fasteners

FOODLUBE Multi-Paste Spray is also suitable for use as a food-grade drilling, tapping and cutting lubricant particularly when maintenance has to be carried out in the process area.

*Food grade, multi-purpose anti-seize and lubricating spray
