Description

TUFLUBE EXTREME is an extreme heavy duty, versatile and highly adhesive grease formulated for telescopic crane booms.

Protects and lubricates booms in the wettest and most corrosive conditions.

TUFLUBE EXTREME is a highly adhesive, high load grease which will prevent crane booms seizing under arduous conditions.

Ensures smooth movement between wear pads and boom sections.

Applications include:

- Booms
- Telescopic arms
- Open Gears
- Rollers
- Slew Rings
- Cantilevers
- Pins
- Winches
- Joints & Couplings
- Tracks and rails
